WORK EXPERIENCE

Mattress Firm

Oct. 2021 – Dec. 2022

Sales Representative

Columbus, OH

- Recorded and maintained daily ledgers and monthly records for multiple stores.
- Helped to achieve a weekly budget of 15,000 to 20,000, consistently exceeding expected percent-to-budget figures.
- Achieved an average ticket of 600 or higher in every period, selling an average of 10-25 mattresses per period.
- Managed end-to-end sales process, from customer entry to delivery, using tablet and terminal POS systems.

PPG

May 2021 – Aug. 2021

Business Analyst Intern

Pittsburgh, PA

- Co-Led the global implementation of a visitor registration system, overseeing pilot site launch and providing Hypercare support for live sites.
- Conducted weekly meetings with vendor and 4 weekly meetings with sites to ensure successful implementation and compliance with established procedures for the visitor registration system.
- Revitalized reporting capabilities by optimizing ERP designs and crafting new SQL queries to rebuild SQL server-based dashboards in Power BI.

PPG

June 2020 – Aug. 2020

Data Analyst Intern

Pittsburgh, PA

- Actively monitored and managed the Azure Data Lake using Data Bricks.
- Developed EOY reports by creating Analytic Dashboards in Power BI.
- Implemented spending tracking for new SBUs through the creation of customized Dashboards.
- Ensured accurate reporting and analysis by globally updating and maintaining the Oracle BI and Power BI table of contents.

Toyota

Jan. 2020 – May 2020

Software Developer Intern

Plano, TX

- Improved system performance and efficiency by refactoring and optimizing gRPC microservices, as well as formatting and deploying Alpine Docker Images in Kubernetes
- Streamlined database functionality by introducing new features for back-end MongoDB calls and swiftly resolving critical issues through bug fixes and collaborative efforts with the QA team on automated testing.
